

## Milk It

Nirvana

I am my own parasite  
I don't need a host to live  
We feed off of each other  
We can share our endorphins

Doll steak  
Test meat

Look on the bright side is suicide  
Lost eyesight I'm on your side  
Angel left wing, right wing, broken wing  
Lack of iron and not sleeping

I own my own pet virus  
I get to pet and name her  
Her milk is my shit  
My shit it is her milk

Lost eyesight I'm on your side  
Angel left wing, right wing, broken wing  
Lack of iron and not sleeping
