

On A Plain

Nirvana

1. I'll start this off
Without any words
I got so high that
I scratched 'til I bled

Love myself
Better than you
I know it's wrong
So what should I do?

2. The finest day
That I ever had
Was when I learned
To cry on command

Love myself...

R: I'm on a plain
I can't complain
I'm on a plain

3. My mother died
Every night
It's safe to say
Don't quote me on that

Love myself...

4. The black sheep got
Blackmailed again
Forgot to put
On the zip code

Love myself...

R: I'm on a plain...

*: Somewhere I have heard this before
In a dream my memory has stored
As defense I'm neutered and spayed
What the hell am I trying to say?

5. It is now time
To make it unclear
To write off lines
That don't make a sense

Love myself...

6. One more special
Message to go
And then I'm done
And I can go home

Love myself...

R: I'm on a plain...
