

Congratulations, you have won
It's a years subscription of bad puns
And it makes your story of concern
And they set it up before it burns

My opinions, my opinions
My opinions, my opinions

And there seems to be a problem here
And your state of emotion seems to clear
Now they rise and fall like Wall Street stock
And they had an affect on our peace talk

Our opinions, our opinions
Our opinions, our opinions

And congratulations, you have won
It's a years subscription of bad puns
And it makes your story our concern
And you set it up before it burns

... opinions, your opinions
Your opinions, your opinions, your opinions
