

# Rape Me

Nirvana

1. Rape me,  
Rape me, my friend  
Rape me,  
Rape me, again

R: I'm not the only one, Ah  
I'm not the only one, Ah  
I'm not the only one, Ah  
I'm not the only one

2. Hate me,  
Do it and do it again,  
Waste me,  
Rape me, my friend

R: I'm not the only one, Ah...

\*: My favorite inside source  
I'll kiss your open sores  
I appreciate your concern  
You'll always stink and burn

3. = 1.

R: I'm not the only one, Ah...

Rape me! (9x)
