1. Load up on guns, and bring your friends
It's fun to lose, and to pretend
She's overboard, and self assured
I know I know, A dirty word

R: Hello, hello, hello, how low... hello, hello, hello, how low
,
hello, hello, hello, how low... hello, hello, hello, how low
With the lights out it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us.
A mulatto, an albino, a mosquito, my libido, Yea!

2. I'm worse at what I do best,
and for this gift I feel blessed.
I met a group that's always been
And always will until the end.

R: Hello, hello...

solo

3. And I forget, just why I taste
Oh yeah I guess it makes me smile
I found it hard ... It's hard to find
Oh well, whatever, nevermind

R: Hello, hello...
