

This Ain't For Me

Nirvana

1. This just cannot be truth
this dream has led
me to insanity
this time I won't run away

R: Art of confusion
Art of hate
Art of death
What's taht still stronger feel
What's that thing you said
What's bad

2. Nothing happened as
you didn't want
I will get rid of it
in a place covered with clarity

R: Art of confusion...

*: In some distant place
In some other time
In some other state
In some awful fear
