

# Where Did You Sleep Last Night

Nirvana

1. My girl, my girl, don't lie to me  
Tell me where did you sleep last night  
In the pines, in the pines, where the sun don't ever shine  
I would shiver the whole night through

2. My girl, my girl, where will you go nástup basa  
I'm going where the cold wind blows  
In the pines, in the pines, where the sun don't ever shine  
I would shiver the whole night through

R: Her husband, was a hard working man  
Just about a mile from here  
His head was found in a driving wheel  
But his body never was found
