

## White Lace And Strange

Nirvana

That is the way you want it  
You wanted it to be the way you like it  
I'm no lover  
We wanted you to see it the way you wanted  
It's all right  
I could be crazy  
But I could be human  
I never wanted to open your eyes  
I could be crazy  
but I could be human  
I never wanted to

I'm no lover  
You wanted to be living up in the air, yeah  
I'm no lover  
But please let go of the human  
That's me
