

You Know You're Right

Nirvana

I will never bother you
I will never promise too
I will never follow you
I will never bother you

Never speak a word again
I will crawl away for good
I will move away from here
You won't be afraid of fear

No thought was put into this
I always knew it would come to this
Things have never been so swell
I have never failed to fail

Pain, pain, pain
You know you're right
You know you're right
You know you're right

I'm so warm and calm inside
I no longer have to hide
Let's talk about someone else
Stinging soon begins to melt

Nothing really bothers her
She just wants to love herself
I will move away from here
You won't be afraid of fear

No thought was put into this
I always knew it would come to this
Things have never been so swell
I have never failed to fail

Pain, pain, pain, pain, pain

You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right
You know you're right

Pain
