

# You Know You're Right

Nirvana

I will never bother you  
I will never promise too  
I will never follow you  
I will never bother you

Never speak a word again  
I will crawl away for good  
I will move away from here  
You won't be afraid of fear

No thought was put into this  
I always knew it would come to this  
Things have never been so swell  
I have never failed to fail

Pain, pain, pain  
You know you're right  
You know you're right  
You know you're right

I'm so warm and calm inside  
I no longer have to hide  
Let's talk about someone else  
Stinging soon begins to melt

Nothing really bothers her  
She just wants to love herself  
I will move away from here  
You won't be afraid of fear

No thought was put into this  
I always knew it would come to this  
Things have never been so swell  
I have never failed to fail

Pain, pain, pain, pain, pain

You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right
