

# Rainfall

Nitin Sawhney

I'd like to know what's going on  
In this world we're living on  
So much poverty  
All around me  
This insanity  
That surrounds me

It is the world, seems so far away  
People's lives, changing everyday  
Oh no... I can hear the rainfall

I'd like to know when you and I  
Will stop walking and passing by  
So much ignorance  
That my eyes see  
My experience  
Cannot blind me

It is the world, seems so far from here  
Seasons change, and the rain is near  
Oh no... I can hear the rainfall

Oooh... Yehh....

I'd like to find a new reality  
Something more than this fantasy  
No more false dreams  
No more mind games  
I can't even see  
Through this dark rain

It is the world, seems so far away  
People lives, changing everyday  
Ey Oh... I can hear the rainfall
