

# The Preacher

Nitin Sawhney

The seal of prophesy  
Between the darkness and the light  
Everyone must choose  
Universal blues  
Wisdom is the key  
To the heart of the prophesy  
The seal of prophesy  
Messengers have come and gone  
The struggle goes on  
Synagogue temple mask church  
Each and every place we search  
The seal of prophesy  
Old ones will see visions  
Young ones will dream dreams  
Time of change conditions  
Til nothing as it seems  
The seal of prophesy

The seal of prophesy  
Everyone must choose
