

## 4 Ankles

Nits

Step by step by step by step...

Steps on the carpet  
Your partner is perfect  
Steps on the lino  
To teach you to tango  
It takes two more lessons  
Then I got the chances  
To meet all the girls who  
Are waiting for dances  
Put on the blazer  
And even my razor said  
You got two flat feet  
But she will not notice that  
She's wearing glasses  
Got pimples on her nose  
And while we were dancing  
She was stepping on my toes

In the dance for four ankles  
I was on flat feet (bad feet)  
Step on toes of pretty girls  
Step by step the lesson's complete

My cheek and your cheek  
My knees and your knees  
My hand in your hand  
Oh girl, can't you understand  
That I got the need for  
Your feet on my feet and  
My hand in your hand  
And my cheek on your cheek

In the dance for four ankles  
I was on flat feet (bad feet)  
Step on toes of pretty girls  
Step by step the lesson's complete
