

## Dapper Street

Nits

Give me the sombre city highroads  
The clouds are framed by attic windows  
Those are the words I long to hear  
But when I walk I keep my tears from falling  
And if you don't know where to go  
You're lost in a dead end street  
The houses fall down every day  
But maybe someday I'll keep this house from falling  
This is the street where I was living  
This is the square where I was fighting  
Nobody fears the ball and chain  
I feel the tears my memory lane is falling  
And still I don't know where to go  
I'm lost in a misty town  
No poetry in dead end street  
They tear all the houses down  
When you walk in Dapperstreet  
When you live in Dapperstreet  
Now it rains on broken windows  
The streets are always wet  
Through all the empty alleys wind blows  
You're never coming back  
When you live in Dapperstreet  
Give me the sombre city highroads

The clouds are framed by attic windows  
Those are the words I long to hear  
But when I walk I keep my tears from falling  
And if you don't know where to go  
You're lost in a misty town  
No poetry in dead end street  
They tear all the houses down  
When you walk in Dapperstreet  
When you live in Dapperstreet  
Now it rains on broken windows  
The streets are always wet  
Through all the empty alleys wind blows  
You're never coming back  
When you live in Dapperstreet  
City crime one grey morning  
Blissfully happy I'm walking  
City crime one grey morning  
Blissfully happy I'm walking  
City crime one grey morning  
Blissfully happy I'm walking  
Suddenly happy in Dapperstreet
