Hands Of The Watch

Nits

It's almost midnight now
Getting cold in Rome
The hands of the watch, they turn
Turn without mercy

I'm counting every hour
Must be a new delay
Wait on a suitcase
Tomorrow, tonight and today

Spent the last coin I had
On water and sandwiches
The hands of the watch, they turn
Turn without mercy

I'm counting every hour
Must be a new delay
Wait on a suitcase
Tomorrow, tonight and today

I'm counting every hour
Must be a new delay
Wait on a suitcase
Tomorrow, tonight and today

Hands of the watch turn
Hands of the watch turn
Hands of the watch turn
Hands of the watch turn
Hands of the watch turn
Hands of the watch turn
Hands of the watch turn
Hands of the watch turn
