

Holiday On Ice

Nits

She's so innocent
He's so different
On this mountain in Switzerland
She knows nothing 'bout boys
He had too much choice
On this mountain in Switzerland

The instructor is a handsome man
He's going up and down again
Oh no I, oh no, no I
She knows nothing 'bout boys
He had too many toys
On this mountain in Switzerland

He's so different
She's so innocent
On this mountain in Switzerland

She's a typist, she's a tourist
Like an iceberg never been kissed
Oh no, no I, oh no, no I
Don't wanna spend my holiday on ice
Don't wanna spend my holiday on ice

She's so different
He's so innocent
On this mountain in Switzerland
He knows nothing 'bout boys
She had too much choice
On this mountain in Switzerland

The vulcano's covered up with snow
It's twenty-five below zero
Oh no I, oh no, no I
Don't wanna spend my holiday on ice
Don't wanna spend my holiday on ice
Don't wanna spend my holiday on ice
Don't wanna spend my holiday on ice
