

Saragossa

Nits

Saragossa mating season
Got to go today
It's my nature versus reason
Somehow I can't stay

I am an eel somewhere
Out in the ocean
Finding its way on his own
Fresh water, salt water
Gulf streams and cold water
Only one sea is my home

Saragossa mating season
Got to go today
It's my nature versus reason
Somehow I can't stay

Saragossa mating season
Got to go today
It's my nature versus reason
Somehow I can't stay
