

# Sleep (What Happens To Your Eyes)

Nits

In the black of the night  
In the black of the night  
There's a flashing light  
Shining bright, shining bright

What happens now to your eyes so suddenly  
What happens now to your eyes

Wer reitet so spät  
Durch Nacht und Wind

Darling child, come with me  
My daughters sing and rock you to sleep  
In the back of the car  
In the back of the car  
Who cares where you are  
No one cares  
No one cares  
No one cares

What happens now to your eyes so suddenly  
What happens now to your eyes  
To your eyes  
So sad and lonely  
What happens now to your eyes

Du liebes Kind, komm geh mit mir  
Du liebes Kind, komm geh mit mir

Can't you hear, can't you see  
There is someone waiting for me  
In the black of the night  
There's a flashing light  
Shining bright, shining bright

What happens now to your eyes  
What happens now to your eyes  
To your eyes  
So suddenly  
What happens now to your eyes  
So sad and lonely

Wer reitet so spät  
Durch Nacht und Wind  
Es ist der Vater  
Mit seinem Kind

Wer reitet so spät  
Durch Nacht und Wind  
Es ist der Vater  
Mit seinem Kind

Wer reitet so spät  
Durch Nacht und Wind
