

Soap Bubble Box

Nits

I saw a box in New York
Inside the MOMA
Clay pipe and cork
It's a soap bubble
It's a soap bubble

I saw a map of the moon
Cut out of camels
Tin spoon
It's a soap bubble
It's a soap bubble

He is walking very slow
Through Manhattan in the snow
Joseph Cornell

I saw an egg painted blue
Rhinestones in four rows of two
It's a soap bubble
It's a soap bubble

He is walking very slow
Through Manhattan in the snow
Joseph Cornell

I saw a box in New York
Inside the MOMA
Clay pipe and cork
It's a soap bubble
It's a soap bubble
