

Take A Piece

Nits

Monday, Tuesday, Wednesday, Thursday's gone
Friday and Saturday, Sunday is no fun
Mr Moonshine, that girl is mine
For a long time I was wrong

Take a piece of my heart
Take a piece of my heart
You don't know what to do with it
As long as you're not losing it
You keep it for some years

Have you seen the magazine
The photograph where she was on
She could be a money-honey
In a Wolsely 61

Take a piece of my heart
Take a piece of my heart
You don't know what to do with it
As long as you're not losing it
You keep it for some years

How many years ago
I don't know
I don't know know
How many years ago
I don't know
I don't know know

Take a piece of my heart
You don't know what to do with it
As long as you're not losing it
You keep it for some years

How many years ago
I don't know
I don't know know
How many years ago
I don't know
I don't know know

Suddenly there's 7 Up
For you and me and you did run
Monday Tuesday Wednesday
Thursday Friday Saturday and Sunday
Seven days, they are no fun
When the lady's gone

Take a piece of my heart
Take a piece of my heart
Take a piece of my head and my
Take a piece of my heart
Take a piece of my head and my
Take a piece of my heart
Take a piece of my head and my
Take a piece of my heart
Take a piece of my head and my
