

The Hat

Nits

I met her
In a shop
Downtown
She was buying a hat
With a feather
Brown
She said
Or red
That's all she said
That's all she said
'BROWN'
When the rain falls
On our head
Think
Think
Of the time
When we met
In a shop
Downtown
Feather
Brown
She said
Or red
That's all she said
BROWN
No one knows she's still there
No one knows she's still there
Now
Open the door
And walk inside
