

## The Hat

Nits

I met her  
In a shop  
Downtown  
She was buying a hat  
With a feather  
Brown  
She said  
Or red  
That's all she said  
That's all she said  
'BROWN'  
When the rain falls  
On our head  
Think  
Think  
Of the time  
When we met  
In a shop  
Downtown  
Feather  
Brown  
She said  
Or red  
That's all she said  
BROWN  
No one knows she's still there  
No one knows she's still there  
Now  
Open the door  
And walk inside
