Nits

I am waiting
At the bus stop
Ting Ting
With my girlfriend
She is pregnant
Like a raindrop
Ting Ting
And the donkey
And the bull
Are standing next to me
Ting Ting
Here comes the rain
Ting Ting
Here comes the rain

I am walking
With the blind man
Ting Ting
I am talking
To the deaf man
Ting Ting
Here comes the rain
Here comes the bicycle
Here comes the girl
here comes the child
Ting Ting
Ting Ting
(Ting Ting)

Here comes the rain
Here comes the bicycle
Here comes the girl
here comes the child
Ting Ting
Ting Ting
