

Tutti Ragazzi

Nits

On the backseat of a motorscooter
It's so crazy what I'm doing to her
80 miles on the rocks
It's a kid or a crash

Tutti ragazzi with Italian shoes
It doesn't matter if they win or lose
Together we know what to do
As long as you keep on dancing
Keep on dancing

Was it love at first sight
When I saw her that night
Be my lover tonight
Pretty A and B-side

No no bambini for me
Frutti di mare for you
Pizza margherita
Signorina, it's true

Tutti ragazzi with Italian shoes
It doesn't matter if they win or lose
Together we know what to do
As long as you keep on dancing
Keep on dancing

Was it love at first sight
When I saw her that night
Be my lover tonight
Pretty A and B-side

Tutti ragazzi
Tutti ragazzi

Tutti ragazzi
Tutti ragazzi

Was it love at first sight
When I saw her tonight
I saw her tonight
