

Under A Canoe

Nits

I roll up the sleeves
Can she bake a cathedral
Under a canoe
I'm a swimmer in blue

I roll up the sleeves
She takes a lot of pictures
Animals in water
(Fish, fish, fish)
Under a canoe

A shirt is waving in the meadow
Shirt is waving in the meadow
A shirt is waving in the meadow
Shirt is waving in the meadow

I roll up the sleeves
The night lies on her shoulders
Under a canoe
I'm a swimmer in blue

And a shirt is waving in the meadow
Shirt is waving in the meadow
A shirt is waving in the meadow
Shirt is waving in the meadow
A shirt is waving in the meadow
Shirt is waving in the meadow
A shirt is waving in the meadow
Shirt is waving in the meadow

A shirt is waving in the meadow
Shirt is waving in the meadow
A shirt is waving in the meadow
Shirt is waving in the meadow
