

Walls Have Ears

Nits

Look at all the pictures
Look at all the words
Even if it's not true
They will write it

They are making money
Of your private life
Coming to your parties
Uninvited

Don't you talk
Don't you talk
Don't you talk

Dip your pens in poisoned ink
Like a straw in milk and vinegar

Don't you talk
Don't you talk
Don't you talk

I think the walls have ears tonight

Don't you talk
Don't you talk
Don't you talk

I think the walls have ears tonight
I think the walls have ears tonight
