

Whales Of Tadoussac

Nits

Today we all went
With our 'Atomic' friend
To his forgotten land
Close to the world's end
And Daniel said:

Take your time
We like the river
That runs to the sea
We like the highway
That runs to the trees

And take your time
On a river to the sea
Take your time
(Take your time, take your time)
Like the whales back in Tadoussac

He's gonna get us a boat on a river
We're gonna sail it to the sea
We're gonna find a big fish
As big as Moby Dick is
And Daniel said to me:

You take your time
(Take your time, take your time)
On a river to the sea
Take your time
(Take your time, take your time)
Like the whales back in Tadoussac

We are like the river
That runs to the sea

And take your time
(Take your time, take your time)
Take your time
(Take your time, take your time)
Like the whales back in Tadoussac
The whales back in Tadoussac
The whales back in Tadoussac
