Blood Money

Nitzer Ebb

Thou take your dreams away Thou take your dreams away Thou take your dreams away Thou take your dreams away

Hold on to life, hold back the door Hold on to life, hold back the door

Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away

Shed faith, shed faith

Don't take the pill Don't ask for more Don't take the pill Don't ask for more

Thou take your dreams away Thou take your dreams away Thy creeping upon you Thou take your dreams away

Thou take your dreams away Thou take your dreams away Thy creeping upon you Thou take your dreams away

Well, who we are close Cut out the shame Well, who we are close Cut out the shame

Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away

Shed faith, shed faith Shake it, shake it Shake it, shake it

I believe in Bible
And I believe in what God said
They weren't doing what God said
God said take from the rich
And give to the poor

He didn't say take from the poor And give to the rich And that's what they were doing And that's what they were doing

I believe in Bible And I believe in what God said

Money, money for blood Money, money for blood Money, money for blood Money, money for blood

Don't take that cross away
Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said)
Don't take that cash away

Don't take that cross away
(I believe in the Bible)
Don't take that cash away
(And I believe in what God said)

Money, money for blood Money, money for blood Money

Don't take that cross away

Don't take that cash away

(I believe in the Bible)

Don't take that cross away

(And I believe in what God said)

Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said)

Don't take that cash away
(I believe in the Bible)
(And I believe in what God said)
Money, money, money
