

# Murderous

Nitzer Ebb

Where is the youth?

Youth youth

Youth youth

Youth youth

It's time to know

It's time to live

It's time to know

It's time to live

Shout golden shouts

Shout golden shouts

Lift up your hearts

Shout golden shouts

Much better now

We're stronger now

Much better now

We're stronger now

Shout golden shouts

Shout golden shouts

Lift up your hearts

Shout golden shouts

Now don't be lazy

With the pleasure of sin

Don't be lazy

With the pleasure of sin

Shout golden shouts

Shout golden shouts

Lift up your hearts

Lift up your hearts

Where is the youth?

Where is the gold?

Where is the youth?

Where is the gold?

Shout golden shouts

Shout golden shouts

Shout golden shouts

Lift up your hearts

Lift up your hearts

Think of the beauty

Think of your pride

Think of the beauty

Think of your pride

Shout golden shouts

Shout golden shouts

Lift up your hearts

Lift up your hearts

Don't back away  
Don't back away  
Don't back away  
Don't back away

It's there, it's there for you  
It's there, it's there for you

Don't back away  
Don't back away  
Shout golden shouts  
Shout golden shouts

Shout golden shouts  
Shout golden shouts  
Shout golden shouts

Lift up your hearts

Hear, hear what we say  
Said hear, hear what we say

Let passion spend  
Let passion spend  
Let your passion spend  
Let your passion spend  
(Youth)

Now don't be lazy  
With the pleasure of sin

With the pleasure of sin

Shout golden shouts  
Shout golden shouts  
Lift up your hearts  
Lift up your hearts

It's time, it's time to know  
It's time, it's time to live

Don't back away
