AAAAAA

Ever since u went away  
Been missin' you everyday  
What I'd do just to see your face  
Should of held u n made u stay  
Now I really need somebody  
Just to call somebody  
But I know I cant go back in time and just make things change  
Been waiting on your call but I ain't heard a word.  
Wish I can go back to the way things were  
But you don't even know how much I miss you baby  
You can take this as a lesson learn  
Kinda like Usher u gotta let tha shit burn  
Breathe in breathe out

I gotta let it go  
Even though I cant live with out you  
Don't wanna lose control  
Even though I'm missin' everything about ya  
And I'm tryna keep my composure  
But on the inside its really killing me  
All I can do is just breathe in breathe out.

I gotta let it go  
Even though I cant live with out you  
Don't wanna lose control  
Even though I'm missin' everything about ya  
And I'm tryna keep my composure  
But on the inside its really killing me  
All I can do is just breathe in breathe out.

Listen up girls ima let yall know  
If you gotta a good man never let him go  
If you really love you betta let him know  
Never wait till he bout to walk out the door  
Cuz once he leaves it ain't no runnin' back 2 ya  
With the pride of a man he ain't comin' back 2 ya  
Think of the way to talk or u want get a word  
I wish things was back to the way they were  
Even Kodak couldn't fix this picture  
You can take this as a lesson learn  
Kinda like Usher u gotta let that shit burn/burn  
Breathe in breathe out.

I gotta let it go  
Even though I cant live with out you  
Don't wanna lose control  
Breathe in, breathe out.  
Even though I'm missin' everything about ya  
And I'm tryna keep my composure  
But on the inside its really killing me  
All I can do is just breathe in, breathe out. Ohhhh

I gotta let it go  
Even though I cant live with out you  
Don't wanna lose control  
Breathe in, breathe out.  
Even though, I'm missin' everything about ya  
And I'm tryna keep my composure  
But on the inside its really killing me  
All I can do is just breathe in breathe out.
