

# Cat's Got Your Tongue

Nivea

You know my cats got your tongue  
And there's really nothing that you can say to me  
Because my cat's got your tongue  
And the only way you can talk is with your body  
You know my cat's got your tongue  
And I can tell that your thinking real freaky  
Because my cats got your tongue  
So just come over here and show me what you'll do to me

I like the things you say, the games you play  
It's alright, just make sure you bring some Alize  
Cause tonight , it's time to take a chance let's be more than friends are yo  
u ready  
To do all the things you said that you would do

You know my cats got your tongue  
And there's really nothing that you can say to me  
Because my cat's got your tongue  
And the only way you can talk is with your body  
You know my cat's got your tongue  
And I can tell that your thinking real freaky  
Because my cats got your tongue  
So just come over here and show me what you'll do to me

Show me, exactly what it is you have in store,for me  
Cause boy I wanna show you how I flow  
Don't worry , I promise not to bite if you stick around all night  
Cause you look so good, got me losing my mind

You know my cats got your tongue  
And there's really nothing that you can say to me  
Because my cat's got your tongue  
And the only way you can talk is with your body  
You know my cat's got your tongue  
And I can tell that your thinking real freaky  
Because my cats got your tongue  
So just come over here and show me what you'll do to me

Yearning for your love, I'm yearning for your touch  
This burning, can't control , don't talk, give me your love  
Yearning for your love, I'm yearning for your touch  
This burning, can't control , don't talk, give me your love

Don't rush ,boy I'm telling you to take your time  
Cause too much of my love will surely blow your mind  
So touch me ,you got my body shaking, eyes rolling in my head  
So you can what you like and I'll stay the night

You know my cats got your tongue  
And there's really nothing that you can say to me  
Because my cat's got your tongue  
And the only way you can talk is with your body  
You know my cat's got your tongue  
And I can tell that your thinking real freaky  
Because my cats got your tongue  
So just come over here and show me what you'll do to me
