

I Can't Mess With You

Nivea

I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)

Baby yesterday would seem real cool but lately you treat me so
cruel

Sleepin next to you feels new
It ain't nothin like it used to
Still if I'm not next to you
I need some tweekin' I'm out of tune
But somethin' bout that thang you do
It could only come from you

You like my body I want your last name why can't we make it wor
k

And when you leave me right when you see me, get on each others
nerves

I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)

Something the other day I thought of you made me feel like you
poisoned my food it just got to be
Some voodoo why can't I get approved by you what the hell am I
supposed to do when all my self
Directed by you I'm effected by all your cause and cures I need
to get away from you

You like my body I want your last name why can't we make it wor
k

And when you leave me right when you see me, get on each others
nerves

I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)

I didn't know how sore I tried to buy your love I should've bee
n up at the crib but I was up in the
Club

My niggas told me Dream take it home
But I was like give me another shot of hinicey dogg travelin hi
gh speeds then we crashed main and I
Was so blind in the fast lane and you were a better woman than
I was a man can you forgive the
Blueprint it wasn't in my plans and all you ever asked was to u
nderstand but I had my head to far up

In my ass any nigga can love a girl's body but it took man to l
ove your mind I heard you doin fine I
See you in magazines every other page I wish I wasn't talkin to
you from this cage but I'm screamin go
Girl from the jail cell and Niv I know I did you wrong but I me
ant well

I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)
I can't mess with you cuz I'm still in love with you (Ohhh)
