

I Love My Man

Nivea

See I finally found me a good man
Matter of fact he might be my future husband
Yeah he really knows how to love me
And he can't get enough of me
Oh yeah he's got class and good looks
By the way he's number one in my book
I prayed for a love and he appeared
No girl got a man like this here

So I ain't gonna nag and I ain't gonna trip
I ain't gonna do any arguing
Cause I love my man
And I plan on keeping him
So I'm not gonna accuse my man of lust
And I'm gonna trust him let me tell you why
Cause I love my man
And I plan on keeping him

No the other guys just don't compare
To my man's good love honey I swear
He's got my back in the time of need
It's good to know that he's there for me
Let me say all that he knows my heart
And it means it was love
At the very start when I saw him
With my girlfriends
So I knew I was keeping him

So I ain't gonna nag and I ain't gonna trip
I ain't gonna do any arguing
Cause I love my man
And I plan on keeping him
So I'm not gonna accuse my man of lust
And I'm gonna trust him let me tell you why
Cause I love my man
And I plan on keeping him

So I ain't gonna nag and I ain't gonna trip
I ain't gonna do any arguing
Cause I love my man

And I plan on keeping him
So I'm not gonna accuse my man of lust
And I'm gonna trust him let me tell you why
Cause I love my man
And I plan on keeping him

I know that he loves me and his love is pure
So I don't have a reason to be insecure
Ooh, i, love my baby, baby
Ooh, i, love my baby
Test me I'm his queen
There's no one else he wants but me
Ooh, I love my baby, baby
Ooh, i, love my baby

So I ain't gonna nag and I ain't gonna trip

I ain't gonna do any arguing
Cause I love my man
And I plan on keeping him
So I'm not gonna accuse my man of lust
And I'm gonna trust him let me tell you why
Cause I love my man
And I plan on keeping him

So I ain't gonna nag and I ain't gonna trip
I ain't gonna do any arguing
Cause I love my man
And I plan on keeping him
So I'm not gonna accuse my man of lust
And I'm gonna trust him let me tell you why
Cause I love my man
And I plan on keeping him

So I ain't gonna nag and I ain't gonna trip
I ain't gonna do any arguing
Cause I love my man
And I plan on keeping him
So I'm not gonna accuse my man of lust
And I'm gonna trust him let me tell you why
Cause I love my man
And I plan on keeping him
