

## Run Away

Nivea

I was gonna take my life  
Where I wanted to go  
Wich was with your life  
No you'll ever know  
Now I can't do that  
No with the heaven found  
Cause when I was ready  
You no were around

Said I wanna be with you  
Why do you have to go and run away  
Is it cause you were not true  
And you never had plans to stay  
Or is it cause you had a girl  
On the other side of town  
Make plans to be with you  
Why the hell are you not around

You said I was special  
Special to the world  
And made you special  
Cause I was your girl  
Now I cant do that  
No with the heaven found  
I thought I was special  
Where are you now

Said I wanna be with you  
Why do you have to go and run away  
Is it cause you were not true  
And you never had plans to stay  
Or is it cause you had a girl  
On the other side of town  
Make plans to be with you  
Why the hell are you not around

Remember that go  
You said I was yours  
And then I was ready  
Your heart an open door  
So I gave up the biggest smile  
For your voices sound  
But I cant smile now  
Cause your not around

Said I wanna be with you  
Why do you have to go and run away  
Is it cause you were not true  
And you never had plans to stay  
Or is it cause you had a girl  
On the other side of town  
Make plans to be with you  
Why the hell are you not around
