Milk shake brought you to the yard, must have got caught up cause you fell so hard

You wasn't cheating trying to believe it we wasn't even like that
Wasn't even trying boy why you lyin we wasn't even like that
All up on myspace looking for my name hoping that I will just write back
If somebody says your name to me its who ? huh? No?

Boy it wasn't that serious, it wasn't that serious
All in the magazine blowing it up all around your homies just throwing it up
Boy it wasn't that serious, it wasn't that serious
You was just something to do, you was just something to do

Hes all talk amongst the guys,
Always fails to satisfy
