

## What You Waitin' For

Nivea

I know I met you last Friday  
Soon as you walked by me  
You really didn't have to speak  
Didn't take a long time for me to peep  
How you really want to get with me

So what you say  
Better step to the plate  
Don't be afraid  
Before you wait too late  
Stop playing games  
Ain't got no time to waste  
Don't hesitate  
Or somebody's gonna take your place

Come on, come on  
Tell me what it is you're waiting for  
What you waitin' for  
(4x)

Try to play no never mind  
To the people that are vibin'  
You're the only one I see  
I know you see me checking for you  
Do what you gotta do  
Why don't you make a scene

So what you say  
Better step to the plate  
Don't be afraid  
Before you wait too late  
Stop playing games  
Ain't got no time to waste  
Don't hesitate  
Or somebody's gonna take your place
