

# Start Beginning

Nizlopi

Woah woah ohh ohh  
Hello my love  
It's good to see you  
Shining with the freshness of arrival

And I see your beauty  
Standing there before me  
And I wonder when we will  
Start this love

Cause' we can start beginning in our hearts beginning  
Woah oh, bloomin' out from all that shit you went through  
Cause' I know I need you and I know you need me too  
We can move now, and we won't lose now

There's a man in me  
Won't let me go free  
He smiles the more  
I procrastinate

But it's strange how he goes  
The moment my heart knows  
That I'm here and I am doing this  
Right now

And we can start beginning in our hearts beginning  
Woah oh, bloomin' out from all that shit you went through  
Cause' I know I need you, and I know you need me too  
We can move now, and we won't lose now

And I'm waiting for  
The sun to rise  
And dry out  
All of our crying eyes

It's coming up  
The sun is up  
It's coming out  
I'm running out  
It's coming up  
It's coming out  
The sun is up  
It's coming out  
It's coming up  
We're running out  
In the spring time (spring time) woah oh  
The spring time (spring time) woah oh

And I love you so  
And it needs to grow  
You and me are soul  
In the spring time, woah oh

We can start beginning, in our hearts beginning woah oh  
Blooming out from all that shit you went through  
Cause' I know we need to do all were here to  
We can all move now, we can all lose now
