

Let Me Know

NLT

I can't read your mind
I need you to say it

Plain and simple
I would give my life
To you
Everything you needed
Baby I would be it
You're the only one
I talk to
Who really knows me
Tells me shows me
That it's enough
Sometimes
Just to be myself

I don't want nobody else
They don't understand
That I gave away my heart
The moment
That I shook your hand

Take my breath away
Buy me anything I ask
Go anywhere I wanna go
I traded everything
Just to know

Chorus:
Let me know you love me
Let me know you care
Let me know
You're thinking of me
When I can't be there
Let me know you miss me
Call me up sometimes
I don't wanna go but
Boy
You gotta let me know

Stop and listen
It's my thoughts
Calling your name
Screaming out
The way I feel
I wish you
Would do the same
I think you might be
On the same border
Same line same page
I'm tired
Listening to your silence
Brings the water to my eyes

I don't want nobody else
They don't understand
That I gave away my heart

The moment
That I shook your hand
Don't let me in the dark
Let this blind over my eyes
If you don't feel the same
Is everything we have a lie?

(Chorus)

Please
Give me a reason to stay
Gotta get us back on track
Cause the worst thing is
Loving someone
Who doesn't love you back
I think you do
But I need you to say it

I can't read your mind
Tell me from time to time
I need you to say it
Need you to tell me (2x)

(Chorus)

I can't read your mind
I need you to say it (2x)

Let me know you love me
Let me know you care
