

# Never Should Have Let You Go

NLT

Uh-Uh-Uh  
Listen

Sitting by my window,  
Looking outside at the stormy weather. (weather, weather, w-w-weather)  
Wrecking my brain, trying find the piece  
to put my heart back together (gether, gether, g-g-gether)  
somebody tell me how did we get here  
cause I'm so confused (so confused)  
and now my heart is forever broken  
because that missing piece is you  
what did you do ? (Do, do)

This pain is killing me,  
can't blame you  
cause I'm the one who said goodbye  
I regret leaving you,  
cause I know that I hurt you for the last time  
baby I'm so sorry,  
but you know that my pride won't let my feelings show  
I made a big mistake,  
now I realize I never should have let you go  
Go  
Go  
Go  
Go  
Go  
I never should have let you go  
Go  
Go  
Go  
Go  
Go  
I never should have let you go

It's been too long since the last time we talked,  
I think a couple weeks.  
Can't help but think about how you are,  
who you're with,  
and if you're missing me  
I was always that man,  
that said I never get my feelings hurt (yeah)  
I should've listened to you when you told me  
actions spoke louder than words.  
but I guess now I'm too late

This pain is (oo) killing me, (it's killing me)  
can't blame you  
cause I'm the one who said goodbye  
I regret leaving you,  
cause I know that I hurt you for the last time  
baby I'm so sorry, (so sorry)  
but you know that my pride won't let my feelings show (show)  
I made a big mistake, (oo)  
now I realize I never should have let you go  
Go  
Go

Go  
Go  
Go  
I never should have let you go  
Go  
Go  
Go  
Go  
Go  
I never should have let you go

Can't believe it, didn't think (can't believe it baby)  
you'd really leave me so? (aye)  
I regret this decision I made to let you go? (let you go)  
Can't believe it, didn't think you'd really leave me so?  
(and) I regret this decision I made to let you go? (huh)  
Can't believe it, didn't (can't believe it baby) think you'd really leave me  
so?  
(didn't think you'd leave me)  
I regret this decision I made to let you go? (let you go)  
Can't believe it, (let you go) didn't think you'd really leave me so? (oo)  
I regret this decision (no, no, no) I made to let you go?

This pain is (yeah-eah-eah) killing me, (killing me)  
can't blame you  
cause I'm the one that said goodbye

baby (baby I'm) I'm so sorry, (so sorry)  
but you know that my pride won't let my feelings show (won't let my feelings  
show)  
I made a big mistake, (made a big mistake)  
now I realize I never should have let you go  
Go
