

She said I said

NLT

Don't know where to start, something ain't goin right
Feel it in my soul cause I've tried (ooh baby)
Tryna keep you satisfied (please don't cry)
I just think we both need time

I just feel that we are in the same room
But living two worlds apart
And it's causing too much pain

She said, "Baby can you please just stay?"
"It ain't to late to work this thing out"
I said, "Girl this ain't easy for me."
"At least the truth is comin out."
She said, "Why cant we make up like the last time?"
"I'm just afraid to hear u say go."
"Baby I'm sorry, I think its time we let go"

baby don't leave, don't leave, don't leave
tell me u'll stay, u'll stay, u'll stay

Gotta leave, gotta leave, gotta leave
Girl I think its time we let go.

See these tear drops fallin from your eyes (from your eyes)
But that don't change my mind (mind oh baby ooh oh oh)
Please don't make things more difficult then they gotta be
I cant take no more, This is killin me

And every time I look at you
I see more reasons for me to leave you
And its causing me too much pain

She said, "Baby can you please just stay?" (stay)
"It ain't to late to work this thing out"
I said, "Girl this ain't easy for me."
"At least the truth is comin out."
She said, "Why cant we make up like the last time?"
"I'm just afraid to hear u say go."
I said, "Baby I'm sorry, I think its time we let go"

baby don't leave, don't leave, don't leave
tell me u'll stay, u'll stay, u'll stay

I gotta leave, gotta leave, gotta leave
Cause I think its time we let go

baby don't leave, don't leave, don't leave
tell me u'll stay, u'll stay, u'll stay

I gotta leave, gotta leave, gotta leave
Girl I think its time we let go

She said, "Baby can you please just stay?"
