Nneka

You keep pushing the blame on our colonial fathers  
You say they came and they took all we had pocessed  
They have to take the abuse that they have caused our present state w  
ith their intruding history  
Use our goodness and nourishment in the Name of missionary  
Lied to us, blinded slaved us, misplaced us, strengthen us, hardened  
us then they replaced us now we got to learn from pain  
Now it is up to us to gain some recognition  
If we stop blaming we could get a better condition  
(wake up world!)

Wake up world!!  
Wake up and stop sleeping  
Wake up africa!!  
Wake up and stop blaming  
Open ur eyes!!  
Stand up and rise  
Road block oh life penalty

Why do we want to remain where we started  
And how long do we want to stop ourselves from thinking  
We should learn from experience that what we are here for this existe  
nce  
But now we decide to use the same hatred to oppress our own brothers  
It is so comfortable to say racism is the cause  
But this time it is the same colour chasing and biting us  
Knowledge and selfishness that they gave to us, this is what we use to  
abuse us

Wake up world!!  
Wake up and stop sleeping  
Wake up africa!!  
Wake up and stop blaming  
Open ur eyes!!  
Stand up and rise  
Road block oh life penalty

Those who have ears let them hear  
Brothers who are not brainwashed takt ruins and rest  
Pick them up and stick them back together  
This is the only way we can change this african weather

Lied to us, blinded slaved us, misplaced us, strengthen us, hardened  
us then they replaced us now we got to learn from pain

Wake up world!!  
Wake up and stop sleeping  
Wake up africa!!  
Wake up and stop blaming  
Open ur eyes!!  
Stand up and rise  
Road block oh life penalty
