

## Back Off

## No Angels

Oh no, hold up, wait a minute  
I don't know who you think you're talkin' to  
Drop that, drop that, stop that, stop that  
I will never be what you want me to  
I won't, let you, put me, down no

What makes you think I belong to you  
Wake up, before I break up  
It's Insanity

If you think for just a second that you own me  
Think again 'cause I will never be your trophy  
If you're lookin' for a quickie then I'm not the one to talk to

You better back off, back it up  
I don't know what you heard  
You better back off, back it up  
I'm not that type of boy  
I would never let anyone control me  
I will hold my fort down  
So back off

Don't touch, hands off, step back, get lost  
I don't believe in them tricks you pull on me  
Eaze up, chill out, speak not, still now  
Can't you see that you're talk is buggin' me  
Go ahead, make a, fool of ,yourself  
I will never go home with you

Slow down before it goes down  
You can't handle me

If you think for just a second that you own me  
Think again 'cause I will never be your trophy  
If you're lookin' for a quickie then I'm not the one to talk to

You better back off, back it up  
I don't know what you heard  
You better back off, back it up  
I'm not that type of boy  
I would never let anyone control me  
I will hold my fort down  
So back off

Watcha lookin' at who you're talkin to  
I don't want anything to do with you  
Back it up,back it up

If you think for just a second that you own me  
Think again 'cause I will never be your trophy  
If you're lookin' for a quickie then I'm not the one to talk to

You better back off, back it up  
I don't know what you heard  
You better back off, back it up  
I'm not that type of boy  
I would never let anyone control me

I will hold my fort down

I'll never be your property

No no no no

You're blockin' me, you're stoppin' me

Yeah yeah yeah yeah
