

## Come Back

## No Angels

You've been so close to me  
closer than I ever thought you would  
and you were there for me  
when no one else was there to dry my tears

But I, I never took my time for you  
'cause I always had so much to do

Oh, come back in my life  
back in my heart  
back on my side  
oh, come back in my life  
back in my heart  
back on my side  
you're the love of my life

I was afraid that  
you would break my heart and run away  
but end will have it  
that broke it anyway, yes  
oh, yes you did

And now, I just don't know what I should do  
'cause I can't take this pain I'm goin' through

Words are none to what I fell inside  
Can't you see I swallowed all my pride

And when I close my eyes I only see your face  
no matter what I do you're always in my head  
what can I do to win your heart  
again

'cause since you've been gone  
Oh, I've been so alone  
without you in my life  
Oh, I can not go on

[Refrain]

You're the love of my life
