

Dance-Aholic

No Angels

[Verse 1:]

First on the floor (I'm in a hot red dress)
Dancin' alone (doin' the spotlight test)
Last out the door (I'll be the last one left)
I ain't waitin' for this party to start

I can do it in any position
It's all a part of my addiction
It's not like a drug this condition
It's worse, I'm cursed
I need it again and again

[Chorus:]

I'm losing my feet, don't know how to stop it
Baby, I'm a dance - aholic
Feed me a beat, my body'll rock it
Baby, I'm a dance - aholic

La la la la la, a dance - aholic
La la la la la, I'm a dance - aholic
La la la la la, I just can't stop it
La la la la la

[Verse 2:]

Ridin' shakin' movin' twistin'
Pop it then I dip it (low)
Jumpin' pumpin' booty bumpin'
Speed it up then flip it (oh)
DJ I need me a fix
I'm just a slave to your mix

I can do it in any position
It's all a part of my addiction
It's not like a drug this condition
It's worse, I'm cursed
I need it again and again

[Chorus:]

I'm losing my feet, don't know how to stop it
Baby, I'm a dance - aholic
Feed me a beat, my body'll rock it
Baby, I'm a dance - aholic

La la la la la, a dance - aholic
La la la la la, I'm a dance - aholic
La la la la la, I just can't stop it
La la la la la
