

# Let's Go To Bed

## No Angels

I get in it when I'm high strung  
I lay back and dream of the Carribean sun  
The only place that we all love  
Spend half our lives layin in it snug snug

To sleep and eat  
Repeat reteat  
Sex fast and deep  
Recline un-wind  
We waste so much time there 'cause it's warm  
It's a place we lock the world out

Let's go to bed baby  
Let's go to bed  
Let's go to bed baby  
Let's go to bed  
Let's go to bed

John Lennon was my hero  
He spoke peace  
while layin in bed with Yoko  
Sometimes we've gotta go slow  
and when I'm ill I'm in with a hot cup of Coco

Duva silk sheets  
Night, night can't sleep  
Let's count some sheep  
Recline un-wind  
We waste so much time there 'cause it's warm  
It's the place we lock the world out

Let's go to bed baby  
Let's go to bed  
Let's go to bed baby  
Let's go to bed  
Let's go to bed

'Cause when I'm tired  
I wanna sleep  
And when hungry I am gonna eat  
Don't wanna sit down in no seat  
'Cause when I am ready  
Come on let's retire dream about  
This funky sound

Let's go to bed baby  
Let's go to bed  
Let's go to bed baby  
Let's go to bed  
Let's go to bed
