

# Welcome To The Dance

## No Angels

[Verse 1:]

Sexy Baby  
What's goin' on  
I hear the music playin'  
Ain't this your favorite song  
Why aren't you dancin' (Why aren't you dancin')  
You should be dancin' (You should be dancin')  
Get on the floor

[Pre - Chorus:]

The floor is primed  
Waiting on your arrival  
Come on it's time  
Hey this is your recital  
Get to movin'  
I like the way you movin'

[Chorus:]

Welcome to the dance  
Baby, welcome to it  
This is your chance at love tonight  
Baby let's just do it  
Get off the wall  
And hit the floor  
Show the people whatcha came in here for  
Welcome to the dance  
Welcome to it

[Verse 2:]

Dancin' baby (Hey)  
Get in the zone  
I feel the vibe you're sending  
I thought you take control  
Baby you got me (You got me)  
Wantin' too see you movin'

[Pre - Chorus:]

The floor is primed  
Waiting on your arrival  
Come on it's time  
Hey this is your recital  
Get to movin'  
I like the way you movin'

[Chorus:]

Welcome to the dance  
Baby, welcome to it  
This is your chance at love tonight  
Baby let's just do it  
Get off the wall  
And hit the floor  
Show the people whatcha came in here for  
Welcome to the dance  
Welcome to it

[Bridge 2x:]

Move it

I know you can do it  
Work ya lane to it  
Keep rockin' the music

[Chorus:]  
Welcome to the dance  
Baby, welcome to it  
This is your chance at love tonight  
Baby let's just do it  
Get off the wall  
And hit the floor  
Show the people whatcha came in here for  
Welcome to the dance  
Welcome to it
