

# You Could Be The First

No Angels

So what about diving  
In the falling rain  
And what about waiting  
Yeah I suffer the same  
Let's sleep in a field  
Where the grass is green

You could be the first  
In the universe  
To make me cry boy  
To make me cry

You could be the first  
In the universe  
To make me cry boy  
To make me cry

And what about wanting  
And what about pain  
This is the real thing  
It's not a game  
Let's climb the big hills  
Where the grass is green

You could be the first  
In the universe  
To make me cry boy  
To make me cry

You could be the first  
In the universe  
To make me cry boy  
To make me cry

Making me cry boy  
Making me cry boy  
Don't you know that  
Don't you know that  
Don't you know that you can making me cry boy

So what about diving  
In the falling rain  
This is the real thing  
It's not a game

You could be the first  
In the universe  
To make me cry boy  
To make me cry

You could be the first  
In the universe  
To make me cry boy  
To make me cry

You could be the first  
In the universe

To make me cry boy  
To make me cry

You could be the first  
In the universe  
To make me cry boy  
To make me cry
