Our love is rock steady Rock steady, rock steady Our love is rock steady

Love is like a punishment

Homegirl here to represent

So innocently you seem to come my way

While Tinkerbell and Cupid play

They sit there and laugh

I sit here and I can't believe my eyes

You found me at last

But we're too human to see the way we'll agonize

A real love survives a rock steady vibe A real love survives a rock steady vibe Rock steady, rock steady Our love is so rock steady Rock steady

Steady now, stop rocking it
It's a delicate environment
Retire but sleeping is a Shanti love
Be careful now don't wake it up
It's never gonna last
It's never gonna make it back alive
So now can we relax
I really hope that we will actually survive

A real love survives a rock steady vibe A real love survives a rock steady vibe

It's never gonna last
It's never gonna makes it back alive
So now can we relax
I really hope that we will actually survive

A real love survives a rock steady vibe A real love survives a rock steady vibe

Rock steady
Our love is so rock steady
Rock steady, rock steady
