

## Sad for Me

No Doubt

Please Miss Fried  
He don't mean to be mean  
He just needs to leave  
He hopes he does not  
Cause you inconvenience  
Why can't you see?  
He said, "please don't be sad for me"  
Oh Miss Fried  
Please believe you're his queen  
He must fight for his dreams  
Lovely Miss Fried  
He will too miss you  
He just needs to be free

He says, "If I should ever cause you to bleed...  
don't pretend to be naive"  
Don't be naive

Don't take him wrong, let him be  
Sometimes he feels like he oughta be alone,  
lone  
Don't take him wrong, let him be  
Sometimes he feels like he oughta be alone,  
lone

He says, "Please don't be sad for me,  
Please don't be sad for me."
