Please Miss Fried

He don't mean to be mean

He just needs to leave

He hopes he does not

Cause you inconvenience

Why can't you see?

He said, "please don't be sad for me"

Oh Miss Fried

Please believe you're his queen

He must fight for his dreams

Lovely Miss Fried

He will too miss you

He just needs to be free

He says, "If I should ever cause you to bleed... don't pretend to be naive"

Don't be naive

Don't take him wrong, let him be
Sometimes he feels like he oughta be alone,
lone
Don't take him wrong, let him be
Sometimes he feels like he oughta be alone,
lone

He says, "Please don't be sad for me, Please don't be sad for me."
